

## DURABLE BRITISH QUALITY

All leather is from UK no1 hides, as befits the demanding nature of our extensive range of quality customers.

We have been supplying some of the World's leading brands in the Leather Goods sector for many years and are continuing to develop an extensive range of new products in order to meet the individual needs of specific customers.

The bespoke nature of the TWS approach to this business means that it is expected to represent an ever increasing share of the TWS business.
